Important Information

Rental Tenancies Authority

We strongly recommend that students consult the Rental Tenancies Authority (RTA) website to ensure that they understand the rights and responsibilities involved in signing leases in Queensland.

The RTA is state government statutory authority that helps make renting work for everyone. The RTA can provide you with tenancy information and support, bond management, dispute resolution and investigation. These services are free of charge.

Good to know

Students are encouraged to review the 'Before you Rent' information at <https://www.rta.qld.gov.au/Renting/Before-you-rent> before signing a lease.

Travel Considerations

Students should consult the TRANSLink website to determine public transport options available between prospective accommodation and school.

The home page includes a journey planner, which commuters can use to find out the distance, travel time and cost involved in travel anywhere within the TRANSLink network.
