

HOW TO PURCHASE ONLINE COURSES / STUDY MATERIALS

Aviation Australia's Store can be accessed via <https://store.aviationaustralia.aero/>

From the 'Home' page, select the type of course you would like to purchase:

View the course option/s from your selection above.
Click on a course to view more information, such as course descriptions, access durations, costs and certificate/s where applicable.

Online Courses

Online courses are self-paced short courses that support professional development and satisfy various training needs in the aviation industry.

AA-21 Effective Leadership for Maintenance

This course forms part of the requirements to achieve a Unit of Competency within the Australian Qualifications Framework (AQF). Additional requirements may apply to achieve the full Unit of Competency.

More Info >

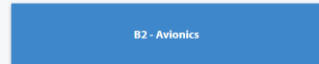

AA-26a CASR Part 145 Human Factors

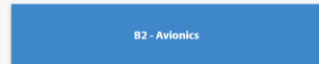

This course provides students with the underpinning knowledge for the application of Human Factors within Aviation Maintenance to satisfy CASR and EASA Part 145 initial and recurrent training requirements.

More Info >

CASA – Civil Aviation Safety Authority [Australia]

EASA – European Aviation Safety Agency [EU]
